G.O.Ms.No.137,HM&FW (H2) Dept., dt:04.11.2015.

****

ORDER**:-**

As per the G.O read above the Andhra Pradesh Medical Services and Infrastructure Development Corporation (APMSIDC) undertake procurement of goods and services. Since procurement of goods is undertaken as per established procedures and is a onetime activity per tender, APMSIDC will continue the same. Several technology intensive care programmes which fall under the category of services critical to patient care process are being supported by the Central Government, under the National Health Mission. Such services as equipment maintenance, diagnostics, radiology etc., not only require commencement of a Contract but also continuous monitoring, quality check on services and assessment. A procurement agency specializing in good do not have technical bandwidth to perform the said activities as there activities are clinical / semi clinical in nature. These activities are also being undertaken in an outsourcing mode. Certain percentage of the financial budget earmarked for such outsourced services requires to be given to APMSIDC, if they were to undertake the same. This would amount to double expenditure attributed to outsourcing of outsourcing. It is therefore suggested that procurement of services that are technologically intensive and are a part and parcel of patient care process requiring continuous monitoring may be undertaken by National Health Mission State Health Society for which a committee may be constituted consisting of heads of the user departments and chaired by Mission Director — National Health Mission.

2. Government after careful examination of the matter hereby constitutes the following committee to undertake and operationalize the above guidelines to facilitate this process.

Chairperson	Principal Secretary to Government, Health, Medical and Family Welfare Department and Mission Director, National Health Mission.
Member & Convenor	Special Commissioner, Health and Family Welfare and Executive Director, National Health Mission and Project Director, Andhra Pradesh State Aids Control Society.
Member	Advisor to Medical & Health Department, Government of Andhra Pradesh.
Member	Director, Medical Education, AP
Member	Commissioner, APVVP
Member	Director, Health & FW, AP

3. Technical human resources in the office National Health Mission will also be augmented to give technical support to the Committee constituted above.
